New In The Library: The Circle Maker, by Mark Batterson. Drawing prayer circles around our dreams isn't just a mechanism whereby we accomplish great things for God. It's a mechanism whereby God accomplishes great things in us. Do you ever sense that there's far more to prayer, and to God's vision for your life, than what you're experiencing? It's time you learned from the legend of Honi the Circle Maker—a man bold enough to draw a circle in the sand and not budge from inside it until God answered his

prayers for his people. What impossibly big dream is God calling you to draw a prayer circle around? Sharing inspiring stories from his own experiences as a circle maker, Batterson will help you uncover your heart's deepest desires and God-given dreams and unleash them through the kind of audacious prayer that God delights to answer. God honors bold prayers because bold prayers honor God.

Also in the library is the 4 session DVD (each session 20 min long) great for care groups or individual study. Participants Guide and additional book - Praying Circles Around Your Children can be found on the desk.

Congratulations to Jamie (Rempel) and Corey Keyes on the birth of their first child, Eli Danny, on May 2, and to **first time great-grandparents, Tina and Henry Harms.**
