- ❖ **May 8-15 is Respect Life Week:** This week has been set aside as a time to reflect on the value of human life. In our society, which now tolerates abortion without qualification, the need for a continuing strong voice on behalf of babies in the womb is more important than ever. At the same time, years of abortion has set the stage for the next assault on human life: euthanasia. There are pamphlets from Life's Vision on the back table along with donation envelopes to help pro-life education in Manitoba.

Walk With Me, Mama

Walk along side me, Mama
and hold my little hand.
I have so many things to learn
that I don't yet understand.

Teach me things to keep me safe
from the dangers everyday.
Show me how to do my best
at home, at school, at play.

Every child needs a gentle hand
to guide them as they grow.
So walk alongside me, Mama.
We have a long way to go.
