- **New Book in the library - Happy Happy Happy.** This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and *Duck Dynasty* star, from early childhood through the founding of a family business. Duck calls-though the source of his livelihood-are not what makes Phil Robertson the man he is today. When asked what matters in his life, he's quick to say, "Faith, family, ducks-in that order." It isn't often that a person can live a dream, but Phil Robertson has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty.

Also in the library - The Price of Freedom, by Simon Ivascu and Wesley Pop, a book that is an amazing testimony to the faithfulness of God. Two young Romanians, facing army duty in a Communist country, tell of their escape from their homeland in search of freedom of worship. Now they share their story all across Canada, and they will be performing at our Christmas banquet this December.

There are also a number of magazines that you can sign out; they can be found on the desk in the library.
